

Hart and Rushmoor Family Support Service

Are you a parent/carer of a child with a diagnosed Special Educational need living in Hart or Rushmoor in need of support?

Our SEN (Support Encourage Nurture) Group could be the help that you need!

This is a weekly session run at Turners Wood Childrens Centre in Fleet

The group is being developed to meet the needs of the community and will include SEN peer support for parents/carers with children with SEN incorporating SEN Nurture Programme, workshops and SOS Parents sessions including guest speakers and signposting to other agencies.

If you are interested in attending this course, please speak to any professional linked to your family such as a health visitor, midwife, teacher, social worker etc. who can nominate you to the programme

The team at the Family Support Service look forward to meeting you.
